

Your child is about to become a published author.

Dear Parent/Carer,

We are extremely excited to be part of Pobble (formerly LendMeYourLiteracy) this school year. Pobble is an online community that allows us to publish and celebrate pupils' work. It connects our young writers with readers around the world.

Your child will have the opportunity to have their work published, and to safely gain recognition and feedback. In a moderated, safe environment your child will also access his/her own work both under supervision and independently. Pobble gives access to work from their class, their school and from other schools around the world.

In order to allow your child to become one of our published authors we ask you to provide us with an email address. If you do so, we will set up your parent account. You will receive notifications when your child's work is published. The address will not be used for any other purpose.

Please do contact us if you have any questions. We thank you for your support.

Yours sincerely,

Mr Paul Griffiths

Headteacher
