

Maths:

In Maths this term we will be learning about time, place value and we will continue to learn addition and subtraction. We will be looking at measures, with a focus on length and height. We will also begin to explore simple fractions.

English:

In English we will be re-telling lots of stories and will be writing our own stories. We will look at the key features of stories and using adjectives and adverbs in our stories. We will be learning about explanation texts and persuasive writing. We will also be writing some free verse poems.

Topic:

This term our focus will be geography and we will be learning all about Antarctica. We will be comparing Follifoot to Antarctica.

PE:

During PE this term, we will be focusing on gymnastics, and we will learn a gymnastics routine.

Little Owls

During the Spring term, our focus will be Winter and Animals. We will be learning all about different animals and how to care for them.

PSHCE:

In PSHCE, we will be learning about the school rules about hygiene and medicines and using the internet. We will be focusing on keeping ourselves safe.

RE:

During this term, we will be learning about different celebrations. We will begin to explore key religious festivals.

Computing:

We shall be learning how to make animations using animation apps.

Science:

This term we will be learning about animal. We will be naming, describing and comparing fish, amphibians, reptiles, birds and mammals.

Music:

We will be creating layers of sound and we will be playing a steady beat.

Art:

We will be exploring warm and cold colours and we will be doing landscape paintings.

DT:

Little Owls will be designing and making animals that move using split pins, card and playdough.
